8. (1) On or before the 14th day of January in the year 1887, and in every subsequent year, Her Majesty's Consular Court at Bangkok shall make out a list of the persons so qualified and liable resident within its district;

(2) The list shall, on or before the 21st day of the same month, be affixed in some conspicuous place in the Court, and shall be there exhibited until the end of that month, with a notice annexed that on a day specified, not being sooner than the 7th or later than the 14th day of the following month, the Court will hold a special sitting for the revision of the list.

(3) The Court shall hold such special sitting accordingly, and at such sitting, or at some adjournment thereof (of which public notice shall be given), shall revise the list by striking out the name of any person appearing to be not qualified or not liable to serve, and by inserting the name of any person omitted and appearing to be so qualified and liable, either on the application of the person omitted, or such notice to him as the Court thinks fit.

(4) The list shall be finally revised and settled not later than the 21st day of February in the year 1887, and in every subsequent year, and when settled shall be affixed in some conspicuous place in the Court, and be there exhibited during not less than two months.

9. Such list, as settled, shall be brought into use on the 1st day of March in the year 1887,

and in every subsequent year, and in every case shall be used as the Jury List of the Court until the 1st day of March next after the time of its being brought into use.

10. (1) When, in pursuance of this Order, a jury is required, the Court shall summon so many of the persons comprised in the Jury List as seems requisite.

(2) Any persons failing to attend according to such summons shall be liable to such fine, not exceeding 50 dollars, as the Court thinks fit to impose, but such fine shall not be levied until after the expiration of fourteen days.

(3) The proper officer of the Court shall forthwith give to the person fined notice in writing of the imposition of the fine, and require him, within six days after receipt of the notice, to pay the fine or to file an affidavit excusing his non-attendance (if he desires to do so). The Court shall consider the affidavit, and may, if it thinks fit, remit the fine.

11. A jury shall consist of five jurors.

12. (1) No challenges shall be allowed—

(2) Except for cause shown to the satisfaction of the Court.

(3) No Grand Jury shall be summoned.

A jury shall be required to give an unanimous verdict.

IV.—Coroners' Inquests.

13. Every Consular Court shall have and may exercise for and within its own district all the powers, rights, and duties appertaining to the office of Coroner in England, but it shall not be necessary to summon a jury in holding any inquest.

V.—Admiralty Jurisdiction.

14. The Consular Court at Bangkok shall be a Vice-Admiralty Court, and as such shall, for and within Siam, and for vessels and persons coming to and within Siam, have all such jurisdiction as for the time being ordinarily belongs to Vice-Admiralty Courts in Her Majesty's possessions abroad.

The Consular Court shall have all powers and jurisdiction which can be exercised by Justices or a Vice-Admiralty Court under or for the purposes of the Acts relating to merchant shipping or the Passenger Acts, or relating to quarantine.

VI.—Lunacy.

15. The Consular Court at Bangkok shall, as far as circumstances admit, have in itself exclusively, for and within Siam, with respect to British subjects, all such jurisdiction relative to the custody and management of the persons and estates of persons of unsound mind as for the time being belongs to the Lord Chancellor or other person or persons in England intrusted, by virtue of Her Majesty's Signmanual, with the care and commitment of the custody of the persons and estates of persons found, by inquisition in England, idiot, lunatic, or of unsound mind.

VII.—Probate and Administration.

16. The Consular Court at Bangkok shall be a Court of Probate, and as such shall, as far as circumstances admit, have, for and within Siam, with respect to the property of British subjects having at the time of death their fixed places

of abode in Siam, all such jurisdiction as for the time being belongs to the Probate Division of Her Majesty's High Court of Justice in England.

17. A District Court shall also have power to grant probate or administration where there is no contention respecting the right to the grant, and it is proved on oath that the deceased had at the time of his death his fixed place of abode within the jurisdiction of the District Court.

18. Probate or administration granted by a District Court in Siam shall have effect over all the property of the deceased within Siam, and shall effectually discharge persons dealing with an executor or administrator thereunder, and that notwithstanding any defect afterwards appears in the grant.

19. Such a grant shall not be impeachable by reason only that the deceased had not at the time of his death his fixed place of abode within the particular jurisdiction.

20. (1) Every person having in his possession or under his control any paper or writing of a deceased British subject being or purporting to be testamentary shall forthwith bring the original to the Court within the district whereof such person is at the time of his first knowledge of the death of the deceased, and deposit it there.

(2) Any person neglecting to do so for fourteen days after having knowledge of the death of the deceased shall be liable to such penalty, not exceeding 250 dollars, as the Court thinks fit to impose.

21. From the death intestate of a British subject having at the time of death his fixed place of abode in Siam until administration is granted, his personal property within Siam shall be vested in the Consul-General in Siam.

22. If any person other than one of Her Majesty's Consular officers takes possession of, and in any manner administers any part of the personal property of any person deceased, without obtaining probate or administration within three months after the death of the deceased, or within one month after the termination of any suit or dispute respecting probate or administration (if there is any such which is not ended within two months after the death of the deceased), he shall be liable to such penalty, not exceeding 250 dollars, as the Court having jurisdiction in the matter of the property of the deceased thinks fit to impose; and in every such case the same fees shall be payable by the person so administering as would have been payable by him if he had obtained probate or administration.

23. Where a British subject not having at the time of death his fixed place of abode in Siam dies there, the Court within whose district he dies shall, where the circumstances of the case appear to the Court so to require, forthwith on the death of the deceased, or as soon after as may be, take possession of his personal property within the particular jurisdiction, or put it under the Seal of the Court, in either case, if the nature of the property or other circumstances so require, making an inventory, and so keep the property until it can be dealt with according to law.

VIII.—Punishments.

24. Every Court and authority imposing punishments shall, as far as circumstances admit,

and subject to the provisions of the Siam Orders in Council, have regard to the punishments imposed by the laws of England in like cases, and to the mode in which the same are inflicted in England.

25. (1) Where any person is sentenced in Siam to suffer the punishment of death, the Judge pronouncing the sentence shall forthwith send a Report of the sentence, with a copy of the Minutes of the proceedings and notes of the evidence in the case, and with any observation the Judge thinks fit to make to the Governor in Council of the Straits Settlements.

(2) The sentence shall not be carried into execution without the order of the Governor of the Straits Settlements in Council.

(3) In any such case, if the said Governor in Council does not order that the sentence of death be carried into execution, he shall direct what punishment in lieu of the punishment of death is to be inflicted on the person convicted, and the person convicted shall be punished accordingly.

26. (1) Where any offender convicted before a Court in Siam is sentenced to suffer imprisonment in respect of the crime or offence of which he is convicted, and it is expedient that the sentence be carried into effect within Her Majesty's dominions, the offender may, in accordance with the 5th section of "The Foreign Jurisdiction Act, 1843," be sent for execution of his sentence as follows:—

(a) In the case of a prisoner who is, or who appears to the person signing the warrant under the said 5th section to be, a native of Burmah or of any other part of British India, and not of European descent,—to Her Majesty's possession of Burmah, or some other part of British India.

(b) In the case of any other prisoner,—to the Colony of the Straits Settlements.

And the person for the time being acting as Her Majesty's Consul-General or Consul in Siam shall have authority for the purposes of the said section.

IX.—Offences against Religion.

27. If any British subject is guilty of publicly deriding, mocking, or insulting any religion established or observed in Siam, or publicly offering any insult to any religious service, feast, or ceremony established or kept in any part of Siam, or to any place for worship, tomb, or structure belonging to any such religion, or to the ministers or professors thereof, or of wilfully committing any act tending to bring any such religion or its ceremonies, mode of worship, or observances into hatred, ridicule, or contempt, and thereby to provoke a breach of the public peace, he shall be liable (in the discretion of the Court before which he is convicted) to imprisonment for any term not exceeding three months, with or without hard labour, and with or without a fine not exceeding 500 dollars, or to a fine not exceeding 500 dollars without imprisonment.

28. Notwithstanding anything in the Siam Orders in Council, every charge against a British subject of having committed any such offence shall be heard and determined in a summary way, and a District Court shall have power to impose the punishment aforesaid.

X.—Foreign Tribunals.

29. Where it is shown to any of Her Majesty's Courts that the attendance of a British subject to give evidence, or for any other purpose connected with the administration of justice, is required in a Siamese Court or before a judicial officer in Siam of any State in amity with Her Majesty, the Court may, in cases and under circumstances which would require the attendance of that British subject before one of Her Majesty's Courts in Siam, and if it seems to the Court just and expedient so to do, make an order for the attendance of the British subject in such Court or before such judicial officer, and for such purpose as aforesaid, but so that a District Court shall not have power to make an order for such attendance of a British subject at any place beyond the particular jurisdiction of the Court.

30. Any British subject duly served with such an order, and with reasonable notice of the time and place at which his attendance is required, and having had the reasonable expenses of attendance paid or tendered to him, failing to attend accordingly, and not excusing his failure to the satisfaction of the Court making the order, shall be liable to a fine not exceeding 500 dollars, or to imprisonment for any term not exceeding one month, in the discretion of the Court.

XI.—General Provisions.

31. Any Court may order any person convicted before it of any crime or offence to pay all or any part of the expenses of or preliminary to his trial, and of his imprisonment or other punishment.

32. Where it appears to any Court that any charge made before it is malicious or is frivolous and vexatious, the Court may order all or any part of the expenses of the prosecution to be paid by the person making the charge.

33. In either of the two last mentioned cases the amount ordered to be paid shall be deemed a debt due to the Crown, and may, by virtue of the order, without further proceedings, be levied on the property of the person convicted or making the charge, as the same may be.

34. (1) Where the crime or offence with which any person is charged before any Consular Court appears to the Court to be such that, if proved, it would not be adequately punished by such punishment as the Court has power to impose, and the accused is not to be sent for trial to Her Majesty's dominions, the Courts may reserve the case to be heard and determined before a Judge of the Supreme Court of the Straits Settlements acting under the provisions of clause 14 of the Siam Order in Council, 1884.

(2) Where any case is reserved under this section, the Consular Court shall take the depositions, and commit the prisoner for trial before such Judge of the Supreme Court of the Straits Settlements as shall next exercise criminal jurisdiction in Siam, under the powers given in clause 14 of the Siam Order in Council, 1884.

35. (1) If any British subject—

(a) wilfully obstructs by act or threat an officer of the Court in the performance of his duty; or.

(b) within or close to the room or place where a Court is sitting, wilfully behaves in a violent, threatening, or disrespectful manner, to the disturbance of the Court or the terror of the suitors or others resorting thereto; or

(c) wilfully insults the Judge or any Consular officer, or any juror or assessor, or any clerk or officer of a Court during his sitting or attendance in Court, or in going to or returning from Court,

he shall be liable to be immediately apprehended by order of the Court, and to be detained until the rising of the Court, and further, on due inquiry and consideration, to be punished with a fine not exceeding 25 dollars, or imprisonment for any term not exceeding seven days, at the discretion of the Court, according to the nature and circumstances of the case.

(2) A Minute shall be made and kept of every such case of punishment, recording the fact of the offence, and the extent of the punishment, and in the case of a District Court a copy of such Minute shall be forthwith sent to the Consular Court at Bangkok.

36. (1) Whenever, under the Siam Orders in Council, any person is to be taken, in custody or otherwise, for trial or imprisonment, or by way of deportation, or for any other purpose, to Singapore or elsewhere in the Straits Settlements, or to England or elsewhere, the Court or other authority by the Siam Orders in Council authorised to cause him to be so taken may for that purpose, if necessary, cause him to be embarked on board one of Her Majesty's vessels of war, or if there is no such vessel available, then on board any British or other fit vessel, at any port or place, whether within or beyond the particular jurisdiction of that Court in authority, and in order to such embarkation may, if necessary, cause him to be taken, in custody or otherwise, by land or by water, from any place to the port or place of embarkation.

(2) The writ, order, or warrant of any Consular Court, or of the Consul-General, as the case may be, by virtue whereof any person is to be so taken, shall be sufficient authority to every constable, officer, or person acting thereunder; and the commander or master of any vessel of war or other vessel (whether the constable, officer, or other person, or the vessel or the commander or master thereof, is named therein or not) to receive, detain, take, and deliver up such person, according to the writ, order, or warrant.

(3) Where the writ, order, or warrant is executed under the immediate direction of the Court or authority issuing it, the writ, order, or warrant shall be delivered to the constable, officer, or other person acting thereunder, and a duplicate thereof shall be delivered to the commander or master of any vessel in which the person to whom the writ, order, or warrant relates is embarked.

37. Subject to the other provisions of the Siam Orders in Council, all expenses of removal of prisoners and others from or to any place in Siam, the expenses of deportation, and of the sending of any person to England or to India, shall be defrayed as the expenses as to distressed British subjects are defrayed, or in such other manner as one of Her Majesty's Principal Secretaries of State from time to time may

direct, provided that such expenses shall not be charged on Imperial funds otherwise than subject to the sanction of the Commissioners of Her Majesty's Treasury.

38. The provisions of the 3rd section of the Siam Order in Council, 1884 (relating to the publication and commencement of the said Order), shall apply to this Order.

And the Right Honourable the Earl of Rosebery and the Right Honourable the Earl of Kimberley, two of Her Majesty's Principal Secretaries of State, and the Lords Commissioners of the Admiralty, are to give the necessary directions herein as to them may respectively appertain.

Simla, the 23rd July, 1886.

SPECIAL.

No. 485.—With the sanction of Her Majesty's Government, the Right Hon'ble the Viceroy and Governor-General of India in Council is pleased to notify the transfer of the Punjab Frontier Force, the administration of which has hitherto been vested in the Government of the Punjab, to the command of His Excellency the Commander-in-Chief in India.

In doing so, His Excellency in Council is authorized to express the high sense entertained by Her Majesty the Queen-Empress of the loyal and brilliant services which, under the Government of the province, the Punjab Frontier Force has invariably rendered to the State from the earliest period of its creation. The Governor-General in Council takes this opportunity to place on record his appreciation of the admirable manner in which the Force has for so many years been administered by the Punjab Government, and of the wise and well-directed measures taken by that Government from time to time to promote and maintain its efficiency.

In arranging the details of this change of control, the political exigencies of the frontier have been kept prominently in view, and every effort has been, and will be, made to interfere as little as possible with the present system of frontier administration. The Force will therefore continue as a separate unit for frontier duties, and, as far as may be found practicable, its local and distinctive character will be preserved, its institutions maintained, and its existing privileges continued.

The transfer will take place from the 1st August, 1886, and His Excellency the Viceroy and Governor-General in Council is confident that all ranks of the Force, British and Native, under the command of His Excellency the Commander-in-Chief in India, will spare no efforts to worthily uphold the traditions of loyalty, discipline, and bravery, which have been handed down to them, and to maintain unimpaired the *esprit de corps*, efficiency, and soldierly qualities, which have gained for the Punjab Frontier Force honor and distinction, both in cantonments and in the field, and have raised this fine body of troops to the distinguished position of a fighting force second to none in the Army.

Home Department Resolution No. 330-27, dated 30th July 1880.

in modification of the orders marginally noted, the Governor-General in Council is pleased, with the sanction of Her Majesty's Secretary of State, to issue the following orders regarding the administrative staff of the Indian Medical Service in the several Provinces of India.

2. The administrative appointments are the following :—

	Monthly salary.
	Rs.
1 Surgeon-General and Sanitary Commissioner with the Government of India	2,700
1 Secretary to the Surgeon-General and Special Assistant to the Sanitary Commissioner with the Government of India.	1,200 rising to 1,400.
1 Deputy Surgeon-General with title of Inspector-General of Civil Hospitals for civil medical administration in Bengal	2,250
1 Ditto ditto for North-Western Provinces and Oudh	2,250
1 Ditto ditto for Punjab	2,000
1 Deputy Surgeon-General for civil medical administration in the Central Provinces	1,800
1 Surgeon-General with the Government of Madras	2,500
1 Secretary to Surgeon-General with the Government of Madras	800 consolidated.
1 Surgeon-General with the Government of Bombay	2,500
1 Secretary to Surgeon-General with the Government of Bombay	800 consolidated.

3. The Surgeons-General with the Government of India and with the Governments of Madras and Bombay will, in addition to performing civil administrative duties, be Heads of the Indian Medical Departments in their respective Presidencies. It will be their duty, among other matters, to propose transfers between the Military and Civil Departments, to recommend for promotion to the administrative grades, and to advise the Government on all questions relating to the admission of officers and subordinates to the Indian Medical Service, to the conduct and services of Indian Medical officers of all grades, and to the supply of medicines and hospital stores. The Surgeon-General with the Government of India will be entitled to receive any information he desires from the Deputy Surgeons-General attached to the Local Governments and Administrations, and to communicate with these officers in regard to the operation of departmental rules and orders; but he will exercise no direct authority over these officers, who will be solely under the orders of the Local Government or Administration to which each belongs.

4. Officers will be selected for the above-named administrative offices by the Government of India for the Bengal Presidency, and by the Governments of Madras and Bombay for those Presidencies respectively. Selections will be made in each Presidency from the whole Indian Medical Service of that Presidency; and the principles of selection hitherto followed in all other respects in making such appointments will be observed.

5. The Deputy Surgeon-General for the Central Provinces will also be Sanitary Commissioner for those Provinces. As already notified in the Military Department order of the 2nd January 1880 above quoted, the Deputy Surgeon-General of the Eastern Frontier District will, in addition to his military duties, carry on the civil medical administration of Assam, and will also perform the duties of Sanitary Commissioner in that Province. The Deputy Surgeon-General of the Punjab Frontier Force will also exercise the civil medical administration of that circle; and in respect of these civil duties, he will be subject to the orders of the Provincial Deputy Surgeon-General, styled Inspector-General of Civil Hospitals.

6. In Central India, the Presidency Surgeon at Indore will perform the duties of an administrative medical officer as regards all civil medical officers and subordinates employed under the orders of the Agent to the Governor-General for Central India. He will exercise a general supervision over these officers, and advise the Agent to the Governor-General on all civil medical arrangements.

7. In Berar, the Sanitary Commissioner will be entrusted with the medical administrative duties of the Province, instead of the Deputy Surgeon-General at Hyderabad, who is now a purely military officer.

8. The administrative medical and sanitary duties, including vaccination, will, for the Province of Burma, be performed by the Inspector-General of Jails, in addition to his other duties.

9. In the Andamans, the Senior Medical Officer will be entrusted with the medical administrative duties of the Settlement, including the Nicobars.

10. In Rajputana, the Superintendent-General of Dispensaries and Vaccination will exercise the functions of an administrative medical officer in respect of all civil medical duties.

11. In Biluchistan, the Residency Surgeon, Quetta, will exercise the functions of an administrative medical officer in respect of the civil medical duties in Biluchistan, at Sibi, and on the Bolan and Sind-Peshin State Railways.

12. In minor matters, such as the submission of periodical returns and furnishing information, the officers above-named, *viz.*, the Residency Surgeon, Indore, the Sanitary Commissioner, Berar, the Inspector-General of Jails, Burma, the Senior Medical Officer of the Andamans, and the Superintendent-General of Dispensaries, Rajputana, and the Residency Surgeon, Quetta, will communicate direct with the Surgeon-General with the Government of India; but all matters of importance should be submitted to the Government of India by the Agent to the Governor-General for Central India, the Resident at Hyderabad, the Chief Commissioner of Burma, the Superintendent of Port Blair, or the Agent to the Governor-General for Rajputana or Biluchistan, as the case may be.

13. In all Provinces for which a separate Sanitary Commissioner is sanctioned, the Sanitary Department will, except in regard to leave, pensions, and such questions, remain distinct from, and not subordinate to, the Medical Department; and in selection for such posts, knowledge and experience as a sanitary officer will be specially considered. The Sanitary Commissioners of such Provinces shall no longer, in virtue of their appointments as such, have the rank and privileges of a Deputy Surgeon-General. This rule will apply to all officers appointed as Sanitary Commissioners after the 19th March 1886, the date of receipt of the Secretary of State's Despatch No. 37 (Military), dated London, 25th February 1886. As a compensation for the withdrawal from Sanitary Commissioners of the rank and privileges of a Deputy Surgeon-General, Her Majesty's Government have sanctioned the annual grant of four extra pensions of £100 each to senior officers of the Indian Medical Department in the proportion of two for the Bengal and one each for the Madras and Bombay Medical Services. The conditions attaching to the grant of these pensions are embodied in India Army Circulars of 1886, clause 91, issued by the Military Department.

14. The supervision of the Vaccination Department will form an important part of the duties of the Sanitary Commissioner in each Province. The Superintendents of Vaccination are Deputy Sanitary Commissioners, under the orders of the Sanitary Commissioner, who will utilise not only them, but also the whole vaccination staff, on sanitary work. Civil Surgeons will also assist the Sanitary Department as far as practicable in this important duty.

15. Although the administration of the Indian Medical Service is divided into two branches, Civil and Military, Indian Medical officers will remain, as now, military officers, those in civil employment being only lent to the Civil Department, and being liable to be called on for military duty in the event of their services being required.

JUDICIAL.

The 30th July, 1886.

No. 1048.—As some misapprehension appears to exist regarding the proceedings to be taken under the Fugitive Offenders Act, 1881 (Statute 44 and 45 Vic., Cap. 69), it is deemed expedient to republish the Statute, in continuation of Home Department Notification No. 215, dated the 12th February 1886, which published for general information an Order of Her Majesty in Council,

wherein it is directed that, on and after the 1st day of July 1886, Part II of the

above Statute shall apply to the group of
British Possessions mentioned in the
margin.

2. In thus republishing the Statute, the Governor-General in Council considers it desirable to invite the attention of all officers concerned to those of its provisions which relate to the issue and endorsement of warrants for the arrest of fugitive offenders. Thus it will be noticed that when a warrant has been issued in one part of Her Majesty's dominions for the apprehension of a fugitive offender from that part, a Judge of a Superior Court in another part of Her Majesty's dominions in, or on the way to, which the fugitive is or is suspected to be, is, for the purposes of Part I of the Statute, empowered by section 3 to endorse the warrant, and it is necessary that the proper endorsement should be effected before an arrest can legally be made thereunder. By section 4 of the Statute a Magistrate of any part of Her Majesty's dominions is empowered, under circumstances therein described, to issue a provisional warrant for the apprehension of a fugitive. The corresponding provisions of Part II of the Statute are contained in sections 13 and 16 respectively, under which the necessary power in both classes of cases is vested in Magistrates. A summons requiring the attendance of a witness, issued by a Judge or Magistrate having lawful authority in this behalf in a British possession of a group to which Part II of the Statute applies, may, under section 15, be endorsed by a Magistrate in any other British possession concerned of the same group, and, when so endorsed, may be legally enforced. Section 26 of the Act further empowers the authority endorsing a warrant to name in the endorsement certain persons, who shall, in addition to the persons to whom the warrant was originally addressed, be authorised to execute the same.

3. The Governor-General in Council trusts that, when it is necessary to take action under the Statute in question, the provisions above referred to, as also all other provisions thereof, will be carefully observed.

CHAPTER 69.

An Act to amend the Law with respect to Fugitive Offenders in Her Majesty's Dominions, and for other Purposes connected with the Trial of Offenders.
[27th August, 1881.]

Be it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal and Commons, in this present Parliament assembled, and by the authority of the same, as follows (that is to say)—

Short title.

1. This Act may be cited as the Fugitive Offenders Act, 1881.

PART I.

RETURN OF FUGITIVES.

2. Where a person accused of having committed an offence (to which this part of this Act applies) in one part of Her Majesty's dominions has left that part, such person (in this Act referred to as a fugitive from that part) if found in another part of Her Majesty's dominions shall be liable to be apprehended and returned in manner provided by this Act to the part from which he is a fugitive.

A fugitive may be so apprehended under an endorsed warrant or a provisional warrant.

3. Where a warrant has been issued in one part of Her Majesty's dominions for the apprehension of a fugitive from that part, any of the following authorities in another part of Her Majesty's dominions in or on the way to which the fugitive is or is suspected to be (that is to say)—

(1) a judge of a superior court in such part; and

(2) in the United Kingdom, a Secretary of State and one of the magistrates of the metropolitan police court in Bow Street; and

(3) in a British possession, the governor of that possession,

if satisfied that the warrant was issued by some person having lawful authority to issue the same, may endorse such warrant in manner provided by this Act, and the warrant so endorsed shall be a sufficient authority to apprehend the fugitive in the part of Her Majesty's dominions in which it is endorsed, and bring him before a magistrate.

4. A magistrate of any part of Her Majesty's dominions may issue a provisional warrant for the apprehension of a fugitive, who is or is suspected of being in or on his way to that part on such information, and under such circumstances as would in his opinion justify the issue of a warrant if the offence of which the fugitive is accused had been committed within his jurisdiction, and such warrant may be backed and executed accordingly.

A magistrate issuing a provisional warrant shall forthwith send a report of the issue, together with the information or a certified copy thereof, if he is in the United Kingdom, to a Secretary of State, and, if he is in a British possession, to the governor of that possession, and the Secretary of State or governor may, if he think fit, discharge the person apprehended under such warrant.

5. A fugitive when apprehended shall be brought before a magistrate, who (subject to the provisions of this Act) shall hear the case in the same manner and have the same jurisdiction and powers, as near as may be (including the power to remand and admit to bail), as if the fugitive were charged with an offence committed within his jurisdiction.

If the endorsed warrant for the apprehension of the fugitive is duly authenticated, and such evidence is produced as (subject to the provisions of this Act), according to the law ordinarily administered by the magistrate, raises a strong or probable presumption that the fugitive committed the offence mentioned in the warrant, and that the offence is one to which this part of this Act applies, the magistrate shall commit the fugitive to prison to await his return, and shall forthwith send a certificate of the committal and such report of the case as he may think fit, if in the United Kingdom, to a Secretary of State, and, if in a British possession, to the governor of that possession.

Where the magistrate commits the fugitive to prison, he shall inform the fugitive that he will not be surrendered until after the expiration of fifteen days, and that he has a right to apply for a writ of *habeas corpus*, or other like process.

A fugitive apprehended on a provisional warrant may be from time to time remanded for such reasonable time, not exceeding seven days at any one time, as under the circumstances seems requisite for the production of an endorsed warrant.

6. Upon the expiration of fifteen days after a fugitive has been committed to prison to await his return, or if a writ of *habeas corpus* or other like process is issued with reference to such fugitive by a superior court, after the final decision of the court in the case,—

(1) if the fugitive is so committed in the United Kingdom, a Secretary of State; and

(2) if the fugitive is so committed in a British possession, the governor of that possession,

may, if he thinks it just, by warrant under his hand order that fugitive to be returned to the part of Her Majesty's dominions from which he is a fugitive, and for that purpose to be delivered into the custody of the persons to whom the warrant is addressed, or some one or more of them, and to be held in custody, and conveyed by sea or otherwise to the said part of Her Majesty's dominions, to be dealt with there in due course of law as if he had been there apprehended, and such warrant shall be forthwith executed according to the tenor thereof.

The governor or other chief officer of any prison, on request of any person having the custody of a fugitive under any such warrant, and on payment or tender of a reasonable amount for expenses, shall receive such fugitive and detain him for such reasonable time as may be requested by the said person for the purpose of the proper execution of the warrant.

7. If a fugitive who, in pursuance of this part of this Act, has been committed to prison in any part of Her Majesty's dominions to await his return, is not conveyed out of that part within one month after such committal, a superior court, upon application by or on behalf of the fugitive, and upon proof that reasonable notice of the intention to make such application has been given, if the said part is the United Kingdom, to a Secretary of State, and, if the said part is a British possession, to the governor of the possession, may, unless sufficient cause is shown to the contrary, order the fugitive to be discharged out of custody.

8. Where a person accused of an offence and returned in pursuance of this part of this Act to any part of Her Majesty's dominions, either is not prosecuted for the said offence within six months after his arrival in that part, or is acquitted of the said offence, then, if that part is the United Kingdom, a Secretary of State, and, if that part is a British possession, the governor of that possession, may, if he think fit, on the request of such person, cause him to be sent back free of cost, and with as little delay as possible, to the part of Her Majesty's dominions in or on his way to which he was apprehended.

9. This part of this Act shall apply to the following offences, namely, to treason and piracy, and to every offence, whether called felony, misdemeanor, crime, or by any other name which is for the time being punishable in the part of Her Majesty's dominions in which it was committed, either on indictment or information, by imprisonment with hard labour for a term of twelve months or more, or by any greater punishment; and for the purposes of this section, rigorous imprisonment, and any confinement in a prison combined with labour, by whatever name it is called, shall be deemed to be imprisonment with hard labour.

This part of this Act shall apply to an offence notwithstanding that by the law of the part of Her Majesty's dominions in or on his way to which the fugitive is or is suspected of being it is not an offence or not an offence to which this part of this Act applies; and all the provision of this part of this Act, including those relating to a provisional warrant and to a committal to prison, shall be construed as if the offence were in such last-mentioned part of Her Majesty's dominions an offence to which this part of this Act applies.

10. Where it is made to appear to a superior court that by reason of the trivial nature of the case, or by reason of the application for the return of a fugitive not being made in good faith in the interests of justice or otherwise, it would, having regard to the distance, to the facilities for communication, and to all the circumstances of the case, be unjust or oppressive or too severe a punishment to return the fugitive either at all or until the expiration of a certain period, such court may discharge the fugitive, either absolutely or on bail, or order that he shall not be returned until after the expiration of the period named in the order, or may make such other order in the premises as to the court seems just.

11. In Ireland the Lord Lieutenant or Lords Justices or other chief governor or governors of Ireland, also the chief secretary of such Lord Lieutenant, may, as well as a Secretary of State, execute any portion of the powers by this part of this Act vested in a Secretary of State.

PART II.

INTER-COLONIAL BACKING OF WARRANTS AND OFFENCES.

Application of part of Act.

12. This part of this Act shall apply only to those groups of British possessions to which, by reason of their contiguity or otherwise, it may seem expedient to Her Majesty to apply the same.

It shall be lawful for Her Majesty from time to time, by Order in Council, to direct that this part of this Act shall apply to the group of British possessions mentioned in the Order, and by the same or any subsequent Order to except certain offences from the application of this part of this Act, and to limit the application of this part of this Act by such conditions, exceptions, and qualifications as may be deemed expedient.

Backing of Warrants.

13. Where in a British possession of a group to which this part of this Act applies a warrant has been issued for the apprehension of a person accused of an offence punishable by law in that possession, and such person is or is suspected of being in or on the way to another British possession, of the same group, a magistrate in the last-mentioned possession, if satisfied that the warrant was issued by a person having lawful authority to issue the same, may endorse such warrant in manner provided by this Act, and the warrant so endorsed shall

be a sufficient authority to apprehend, within the jurisdiction of the endorsing magistrate, the person named in the warrant, and bring him before the endorsing magistrate or some other magistrate in the same British possession.

14. The magistrate before whom a person so apprehended is brought, if Return of prisoner apprehended under backed warrant. he is satisfied that the warrant is duly authenticated as directed by this Act and was issued by a person having lawful authority to issue the same, and is satisfied on oath that the prisoner is the person named or otherwise described in the warrant, may order such prisoner to be returned to the British possession in which the warrant was issued, and for that purpose to be delivered into the custody of the persons to whom the warrant is addressed, or any one or more of them, and to be held in custody and conveyed by sea or otherwise into the British possession in which the warrant was issued, there to be dealt with according to law as if he had been there apprehended. Such order for return may be made by warrant under the hand of the magistrate making it, and may be executed according to the tenor thereof.

A magistrate shall, so far as is requisite for the exercise of the powers of this section, have the same power, including the power to remand and admit to bail a prisoner, as he has in the case of a person apprehended under a warrant issued by him.

15. Where a person required to give evidence on behalf of the prosecutor or defendant on a charge for an offence punishable by law in a British possession of a group to which this part of this Act applies is or is suspected of being in or on his way to any other British possession of the same group, a judge, magistrate, or other officer who would have lawful authority to issue a summons, requiring the attendance of such witness, if the witness were within his jurisdiction, may issue a summons for the attendance of such witness, and a magistrate in any other British possession of the same group, if satisfied that the summons was issued by some judge, magistrate, or officer having lawful authority as aforesaid, may endorse the summons with his name; and the witness, on service in that possession of the summons so endorsed, and on payment or tender of a reasonable amount for his expenses, shall obey the summons, and in default shall be liable to be tried and punished either in the possession in which he is served or in the possession in which the summons was issued, and shall be liable to the punishment imposed by the law of the possession in which he is tried for the failure of a witness to obey such a summons. The expression "summons" in this section includes any subpoena or other process for requiring the attendance of a witness.

16. A magistrate in a British possession of a group to which this part of this Act applies, before the endorsement in pursuance of this part of this Act of a warrant for the apprehension of any person, may issue a provisional warrant for the apprehension of that person, on such information and under such circumstances as would in his opinion justify the issue of a warrant if the offence of which such person is accused were an offence punishable by the law of the said possession and had been committed within his jurisdiction, and such warrant may be backed and executed accordingly: provided that a person arrested under such provisional warrant shall be discharged unless the original warrant is produced and endorsed within such reasonable time as may under the circumstances seem requisite.

17. If a prisoner in a British possession whose return is authorized in pursuance of this part of this Act is not conveyed out of that possession within one month after the date of the warrant ordering his return, a magistrate or a superior court, upon application by or on behalf of the prisoner, and upon proof that reasonable notice of the intention to make such application has been given to the person holding the warrant, and to the chief officer of the police of such possession or of the province or town where the prisoner is in custody, may, unless sufficient cause is shown to the contrary, order such prisoner to be discharged out of custody.

Any order of refusal to make an order of discharge by a magistrate under this section shall be subject to appeal to a superior court.

18. Where a prisoner accused of an offence is returned in pursuance of this part of this Act to a British possession, and either is not prosecuted for the said offence within six months after his arrival in that possession or is acquitted of the said offence, the governor of that possession, if he thinks fit, may, on the requisition of such person, cause him to be sent back free of cost, and with as little delay as possible, to the British possession in or on his way to which he was apprehended.

Sending back of prisoner not prosecuted or acquitted to British possession of same group.

19. Where the return of a prisoner is sought or ordered under this part of this Act, and it is made to appear to a magistrate or to a superior court that by reason of the trivial nature of the case, or by reason of the application for the return of such prisoner not being made in good faith in the interests of justice or otherwise, it would, having regard to the distance, to the facilities of communication, and to all the circumstances of the case, be unjust or oppressive, or too severe a punishment, to return the prisoner either at all or until the expiration of a certain period, the court or magistrate may discharge the prisoner either absolutely or on bail, or order that he shall not be returned until after the expiration of the period named in the order, or may make such other order in the premises as to the magistrate or court seems just.

Refusal to return prisoner where offence too trivial.

Any order or refusal to make an order of discharge by a magistrate under this section shall be subject to an appeal to a superior court.

PART III.

Trial, &c., of Offences.

20. Where two British possessions adjoin, a person accused of an offence committed on or within the distance of five hundred yards from the common boundary of such possessions may be apprehended, tried, and punished in either of such possessions.

Offences committed on boundary of two adjoining British possessions.

21. Where an offence is committed on any person or in respect of any property in or upon any carriage, cart, or vehicle whatsoever employed in a journey, or on board any vessel whatsoever employed in a navigable river, lake, canal, or inland navigation, the person accused of such offence may be tried in any British possession through a part of which such carriage, cart, vehicle, or vessel passed in the course of the journey or voyage during which the offence was committed; and where the side, bank, centre, or other part of the road, river, lake, canal, or inland navigation along which the carriage, cart, vehicle, or vessel passed in the course of such journey or voyage is the boundary of any British possession, a person may be tried for such offence in any British possession of which it is the boundary:

Offences committed on journey between two British possessions.

Provided that nothing in this section shall authorize the trial for such offence of a person who is not a British subject, where it is not shown that the offence was committed in a British possession.

22. A person accused of the offence (under whatever name it is known) of swearing or making any false deposition, or of giving or fabricating any false evidence, for the purposes of this Act, may be tried either in the part of Her Majesty's dominions in which such deposition or evidence is used, or in the part in which the same was shown, made, given, or fabricated, as the justice of the case may require.

Trial of offence of false swearing or giving false evidence.

23. Where any part of this Act provides for the place of trial of a person accused of an offence, that offence shall for all purposes of and incidental to the apprehension, trial, and punishment of such person, and of and incidental to any proceedings and matters preliminary, incidental to, or consequential thereon, and of and incidental to the jurisdiction

25. Where a person is in legal custody in a British possession either in pursuance of this Act or otherwise, and

Removal of prisoner by sea from one place to another.

such person is required to be removed in custody to another place in or belonging to the same British possession, such person, if removed by sea in a vessel belonging to Her Majesty or any of Her Majesty's subjects, shall be deemed to continue in legal custody, until he reaches the place to which he is required to be removed; and the provisions of this Act with respect to the retaking of a prisoner who has escaped, and with respect to the trial and punishment of a person guilty of the offence of escaping or attempting to escape, or aiding or attempting to aid a prisoner to escape, shall apply to the case of a prisoner escaping while being lawfully removed as aforesaid, in like manner as if he were being removed in pursuance of a warrant endorsed in pursuance of this Act.

28. 29. A magistrate may take depositions for the purposes of this Act in the absence of a person accused of an offence in like manner as he might take the same if such person were present and accused of the offence before him.

Depositions to be evidence, and authentication of depositions and warrants.

Depositions (whether taken in the absence of the fugitive or otherwise) and copies thereof, and official certificates of or judicial documents stating facts, may, if duly authenticated, be received in evidence in proceedings under this Act :

if he happens to be there, be tried; and each part of this Act shall apply as if the offence had been committed in the part of Her Majesty's dominions where such warrant is issued, and such person may be apprehended and returned in pursuance of this Act, notwithstanding that in the place in which he is apprehended a court has jurisdiction to try him:

The Courts are authorised to pay at the rates specified below the expenses of complainants and witnesses: *1st*, in all cases, whether non-bailable or bailable in which the prosecution is instituted or carried on by, or under the orders, or with the sanction of, the British Government, or of any British Judge, or Magistrate; *2ndly*, in all cases entered in column 5 of Schedule II appended to the Code of Criminal Procedure as not bailable, when it shall appear to the presiding officer to be directly in furtherance of the interests of public justice; *3rdly*, in bailable cases in which the presiding officer of the Court is a Magistrate of the 1st class, or the District Magistrate on the recommendation of any Magistrate of the 2nd or 3rd class, considers that in the interests of public justice such payment is required; *4thly*, in all cases in which the witnesses are compelled to attend by the Court under the provisions of section 540 of the Code. CHAPTER II.

RENT.

Rule of general application throughout the Santál Parganas.

3. Notwithstanding any agreement to the contrary, the rent of a headman or of a raiyat shall not be changed, except by the Settlement-officer in the course of settlement-proceedings under the Santál Parganas Settlement Regulation, or by the Deputy Commissioner in accordance with the procedure prescribed in this Regulation.

- (a) in the case of a settlement made before this Regulation comes into force, for seven years from the time of the

adjustment and record, or for such longer period (if any) as may have been specified in the record of the settlement in this behalf;

(b) in the case of a settlement made after this Regulation comes into force, for fifteen years from the time of the adjustment and record;

(c) in the case of a settlement made either before or after this Regulation comes into force, until within the period mentioned in clause (a) or clause (b), as the case may be, of this section the rents are changed in the course of a fresh settlement.

Determination of Rents under this Regulation in settled tracts.

Power to apply for preparation of table-of-rates of rent.

7. Subject to the provisions of sections 6 and 18—

(a) the zamindár or other proprietor of a village which has been settled under the Santál Parganas Settlement Regulation, or

(b) the manjhi or other headman of any such village, or

(c) any number, not being less than one-half, of the cultivating raiyats of any such village,

may, if dissatisfied with the rents payable in the village, apply to the Deputy Commissioner to prepare a table-of-rates of rent for the village and to determine the rents on the basis thereof.

8. Every application under section 7 shall set forth precisely the grounds upon which the existing rents are sought to be changed.

9. If the Deputy Commissioner considers that any application under section 7 is not admissible under that section, or is of opinion, on a consideration of the grounds set forth in the application or after such further enquiry as he deems necessary, that the rents ought not to be changed, he shall reject the application.

10. If the Deputy Commissioner finds that the application is admissible under section 7, and is of opinion, on a consideration of the grounds set forth in the application, or after such further enquiry as he deems necessary, that the rents ought to be changed, he shall submit the application with his recommendations for the orders of the Commissioner.

11. The Commissioner may in his discretion either reject the application or direct the Deputy Commissioner to prepare for his approval a table-of-rates of rent for the village and a rent-roll based thereon.

12. In preparing the table-of-rates the Deputy Commissioner shall, subject to such rules, if any, as the Lieutenant-Governor may from time to time prescribe, ascertain and record such rates for the different classes of land as seem to him, due regard being had to existing rents, to be fair and equitable.

13. (1) In preparing the rent-roll on the basis of the table-of-rates the Deputy Commissioner shall have regard to such circumstances as, in adjusting rents under the Santál Parganas Settlement Regulation, the Settlement-officer would have regard to.

(2) When the Deputy Commissioner has prepared the rent-roll, he shall determine the rent payable by the village-headman and specify that rent also in the rent-roll.

14. When the table-of-rates and rent-roll have been approved by the Commissioner, the Deputy Commissioner shall cause them to be locally published in such manner as the Lieutenant-Governor may from time to time prescribe.

15. (1) When the table-of-rates and rent-roll have been published under section 14, any person interested may present a petition in writing to the Deputy Commissioner specifying any objection which he may desire to make with respect to the table or roll or both.

(2) The Deputy Commissioner shall consider the objection and, after such enquiry as he may deem necessary, record an order with respect thereto, either dismissing the objection or proposing for the approval of the Commissioner such amendment of the table or roll or both as may seem to be proper.

16. When an amendment of the table-of-rates or of the rent-roll or of both is approved by the Commissioner on a proposal under section 15, sub-section (2), or is ordered by the Deputy Commissioner of the Santál Parganas or by the Commissioner under section 26, or by the Lieutenant-Governor under section 27, the Deputy Commissioner shall cause the table or roll or both to be amended in conformity with the directions of the authority approving or ordering the amendment.

17. After the expiration of a year from the date of the preliminary publication of the table-of-rates and rent-roll, with such amendments, if any, as have been made therein under section 16, shall be locally published in such manner as the Lieutenant-Governor may from time to time prescribe.

18. The rates and rents specified in a table and roll finally published under section 17 shall, subject to any order under section 26 or section 27, remain unchanged for a period of fifteen years from the date of the publication under that section, and thereafter until a new table-of-rates and rent-roll have been published under section 17, or, if before the expiration of the period of fifteen years or before a new table and roll have been published the rents are adjusted and recorded under the Santál Parganas Settlement Regulation, then until the date of that adjustment and record.

19. The rents specified in a rent-roll published under section 17 shall, notwithstanding any agreement to the contrary, take effect from such date as the Deputy Commissioner may appoint.

Determination of Rent under this Regulation in unsettled tracts.

20. (1) An application may at any time be made to the Deputy Commissioner for the preparation of a table-of-rates, and of a rent-roll based thereon, for lands which have not been settled under the Santál Parganas Settlement Regulation.

(2) In the case of an application under subsection (1) the rules prescribed in sections 7 to 19 shall be subject to the following modifications, namely:—

- (a) any less number than one-half of the raiyats may make the application;
- (b) if the Deputy Commissioner is of opinion that the rents ought to be changed, he may prepare and publish the table-of-rates and rent-roll on his own authority and without reference to the Commissioner;
- (c) the Deputy Commissioner may, on consideration of an objection, amend the table or roll or both on his own authority and without reference to the Commissioner; and
- (d) the table and roll, with such amendments, if any, as may have been made therein, may be finally published after the expiration of one month from the date of the preliminary publication.

Supplemental Provisions.

21. In the preparation of tables-of-rates and rent-rolls under this Regulation the Deputy Commissioner may employ any Deputy Collector, Assistant Collector or Sub-Deputy Collector.

22. (1) The costs of all proceedings connected with an application under section 7 or section 20 of this Regulation, including the pay of all establishments employed under the orders of the Deputy Commissioner, and such proportion of the salary of any gazetted officer employed as the Commissioner may direct, shall be recoverable as a public demand under Bengal Act VII of 1850.

(2) Such costs shall ordinarily be recoverable from the person making the application, but the Deputy Commissioner may in any case—

- (a) direct that the costs shall be distributed among, and be recoverable from, all or any of the parties interested in the preparation of the table-of-rates and rent-roll, in such manner as may seem to him equitable, and
- (b) require the deposit, by any person interested, of such proportion of the costs of the proceedings as may seem to him equitable, and suspend the proceedings pending the making of the deposit.

(3) When the Deputy Commissioner directs that any costs shall be recoverable from raiyats under this section, he may further direct that they shall be recoverable through the headman, and may fix a date after which they shall be recoverable from the headman personally if

they have not before that date been paid to the Deputy Commissioner or as the Deputy Commissioner directs.

23. When any waste or forest, which has been excluded from a village under section 15 of the Santál Parganas Settlement Regulation, is subsequently settled, the Settlement-officer may, if he thinks fit, direct its inclusion within any village and declare that the table-of-rates (if any) for the time being in force under this Regulation for that village shall be applicable thereto.

New Tenancies.

24. (1) When, after rents have been recorded under the Santál Parganas Settlement Regulation, or a rent-roll has been prepared under section 13 of this Regulation, for a village in which a settlement has been made under the former Regulation, a tenancy comes into existence in the village which, if it had been in existence in the village when the record or the rent-roll was prepared would have been included therein, the rent payable in respect of the tenancy shall be regulated as follows:—

- (i) if the tenancy is of reclaimed waste or forest—

(a) the rent for the first seven years after the reclamation shall not exceed half the rent which the Settlement-officer has admitted as fair and equitable in the case of land of similar quality in the village, or, as the case may be, which is payable for such land under the table-of-rates on which the Deputy Commissioner based the rent-roll of the village, and

(b) the rent after the first seven years shall not exceed the full rent computed as aforesaid;

- (ii) if the tenancy is of an abandoned, surrendered or forfeited holding, the rent shall not exceed the rent which the Settlement-officer has or would have fixed for the holding, or, as the case may be, which is payable under the table-of-rates for such land as is comprised in the holding.

(2) Rent payable under this section may be changed on the final publication of a new rent-roll of the village under this Regulation or on an adjustment and record of rents under the Santál Parganas Settlement Regulation.

(3) If any dispute arises as to the rent payable in respect of a tenancy under this section, it shall, on application for that purpose by either of the disputing parties to the Deputy Commissioner, be determined by him.

Protection of Raiyats from Ejectment.

25. A raiyat, whether recorded as possessing a right of occupancy or not, shall not be ejected from his holding otherwise than in execution of an order of the Deputy Commissioner.

Appeal and Revision.

26. An appeal from an order of the Deputy Commissioner under section 9, 15, 20, 24 or 25, or from an order of the Settlement-officer under section 23, shall, if presented within three months from the date of the order appealed against, be—

- (a) when the officer making the order is a person invested by the Lieutenant-Governor with the powers of a Deputy Commissioner for all or any of the purposes of this Regulation—to the Deputy Commissioner of the Santal Parganas;
- (b) when the Deputy Commissioner making the order is the Deputy Commissioner of the Santal Parganas, or the order is made by a Settlement-officer—to the Commissioner.

27. All proceedings of the Deputy Commissioner, Settlement-officer or Commissioner under this Regulation shall be subject to control, revision and alteration by the Lieutenant-Governor.

CHAPTER III.

MISCELLANEOUS.

28. For the second sentence of the first clause of section 23 of the Santal Parganas Settlement Regulation, the following sentence shall be substituted:—

"When a record-of-rights has become final, or an objection to any entry in a record-of-rights has been finally disposed of by the Settlement-officer, the record shall not, until a fresh settlement is made or a new table-of-rates and rent-roll are prepared, be re-opened without the previous sanction of the Lieutenant-Governor."

29. Whenever a table-of-rates and rent-roll are prepared for a village under this Regulation, the Lieutenant-Governor may, by special order, empower the officer making the table-of-rates and rent-roll to amend the whole or any part of the record-of-rights of the village.

30. (1) The Lieutenant-Governor may, from time to time, make rules consistent with this Regulation for the guidance of officers in all matters connected with its enforcement.

(2) All such rules shall be published in the local official Gazette, and shall thereupon have the force of law.

31. The Lieutenant-Governor may, from time to time, by notification in the local official Gazette, exclude any land from the operation of this Regulation and of such portions of the Santal Parganas Settlement Regulation as relate to the adjustment and record of rents.

DISCIPLINE.

No. 546.—The proceedings of a Court of Inquiry held at Mandalay on the 19th March, 1886, to enquire into certain charges brought against Lieutenant-Colonel W. W. Hooper, 4th Madras Cavalry, late Provost Marshal, Burmah Field Force, have been submitted to the Government of India by His Excellency the Commander-in-Chief.

The charges preferred against this officer were—

- I.—That he photographed condemned criminals at the moment of execution.
- II.—That he endeavoured to make a prisoner confess under threat of death.

The Governor-General in Council is satisfied from a review of the evidence before the Court, that these charges have been established.

As regards the first charge, the Governor-General in Council must express his astonishment that a Staff Officer of the British Army should have so far forgotten the responsibilities and duties devolving upon him, as to attend a

military execution for the purpose of photographing prisoners when at the point of death. Such conduct was not only indecorous and unfeeling, but in opposition to the spirit of the Military Regulations, which detail the procedure on such solemn occasions.

The Governor-General in Council cannot accept Lieutenant-Colonel Hooper's plea in extenuation that he attended the execution privately in plain clothes, and not in his official capacity as Provost Marshal. It is impossible for a Provost Marshal to divest himself of the duties of his office when present at an execution for which he was responsible; and, moreover, this plea is nullified by the fact that Lieutenant-Colonel Hooper gave a caution to the officer commanding the firing party, to make a proper pause between the words "present" and "fire."

The second charge, of endeavouring to make an untried prisoner confess under threat of death, is in the opinion of the Governor-General in Council of a graver nature than the first. Lieutenant-Colonel Hooper's action in this case is without justification, and his explanation is wholly inadequate. The arguments on which he bases his justification—that the man was a rebel; that his life was forfeited by what he had already confessed to a spy; and that the information he refused to disclose was of vital importance to the safety of the city and its inhabitants; and the analogy of the treatment of spies in war—are irrelevant, and opposed to the first principles of justice.

The conduct of Lieutenant-Colonel Hooper in both instances has deservedly met with public condemnation; it reflects discredit on the army to which he belongs, and is damaging to the character of the British administration in India.

The Governor-General in Council would have been justified in recommending to Her Majesty's Government that Lieutenant-Colonel Hooper's offence should be visited with dismissal from Her Majesty's service; but, taking into consideration the difficult position in which he was placed during the crisis at Mandalay, that he was discharging duties foreign to his normal professional functions, that he has already suffered severely from the consequences of his actions, that his past career has been blameless, and that in the course of the recent campaign in Burma his services merited the special acknowledgments of the Chief Commissioner, His Excellency in Council is of opinion that a public reprimand will be sufficient to mark the strong disapproval of the Government of India of Lieutenant-Colonel Hooper's conduct on the above occasion.

FURLOUGH AND LEAVE.

NOTIFICATIONS.

ACCOUNTS AND FINANCE.

Simla, the 14th August, 1886.

No. 2550.—The Governor-General in Council has determined to borrow one hundred and twenty lakhs of Rupees, being the amount required for the public service.

The following Notification is therefore published:—

FOUR PER CENT. LOAN.

His Excellency the Right Hon'ble the Governor-General in Council has resolved to borrow one hundred and twenty lakhs of Rupees for the public service in the following manner.

2. Promissory Notes will be issued for the said amount in Form A annexed to this Notification, being the form of the notes of *The Four Per Cent. Loan of 1842-43*, of which Loan the notes to be now issued will form a part. All the conditions which apply to notes of *The Four Per Cent. Loan of 1842-43* will apply to the notes to be now issued.

3. Tenders for the whole or any part of the said amount of Rs. 1,20,00,000 will be received by the Comptroller-General from this date to noon of Friday, the tenth of September next. Tenders must be in sums of 500 Rupees or multiples of 500 Rupees.

4. Each tender must be addressed, in the form annexed to this Notification, to the Comptroller-General, Calcutta, and enclosed in a closed cover, superscribed, "*Tender for the Four Per Cent. Loan.*" If the tenderer is not resident in India, he must name an agent resident in India to whom a

letter of allotment may be issued if any part of the loan is allotted to such tenderer.¹

(a) Each tender must be accompanied by a receipt from the Head Office of the Bank of Bengal, or Madras, or Bombay, or one of their Branches, or from an officer in charge of some Public Treasury, or by a cheque drawn in favour of the Comptroller-General on a Bank in Calcutta, Madras, or Bombay, or in favour of the Accountant-General, Bombay, on a Bank in Bombay in respect of tenders received by him, or by² Government promissory notes, standing in the name of or endorsed to the tenderer or the person making the deposit, for not less than one-hundredth, or, if the tender be for less than Five Lakhs of Rupees, then for not less than one-fiftieth, part of the tender.

(b) Deposits, not being promissory notes, will, in the case of accepted tenders, be credited proportionally in part payment of the allotment-certificates issued in respect of the tender, and will bear interest for the purpose of clause 14 below from the date of the opening of tenders. If any allotment-certificate is not fully taken up, the deposit credited in respect of it will be forfeited.

(c) Promissory notes deposited in respect of any accepted tender will be held until all the allotment-certificates issued in respect of the tender are paid up, and will, if the allotment-certificates are not fully taken up, be appropriated by the Government and cancelled.

5. The rate at which a tender is made must not contain a fraction of an anna: if a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out and the tender treated as if the rate did not contain such fraction of an anna.

6. The rate at which each tender is made must be specified in rupees or rupees and annas: a tender in which no rate is thus specified, but a subscription is offered in some other terms, as, for example, at the recorded minimum, or at some specified percentage in addition to the recorded minimum, or at the average of the accepted tenders, will be rejected as null and void.

7. The minimum rate at which tenders will be accepted will be recorded under the signature of the Comptroller-General, and, before the tenders are opened, placed upon the table in a sealed envelope, but will not be declared unless some tender is rejected only because it is below the recorded minimum.

8. Tenders will be opened, publicly, by the Comptroller-General at the Treasury Buildings, Calcutta, at noon (Calcutta time) on Friday, the 10th September next, and those received under the terms of the footnote under clause 4 will be similarly opened by the Accountant-General, Bombay, at 11 o'clock (Bombay time) on the same day; but the contents of the tenders will not be disclosed otherwise than as provided in clause 10.

9. Tenders at the recorded minimum rate, and at rates above the recorded minimum rate, will be accepted in the order of the rates tendered, beginning with the highest rate; the amount allotted at the lowest rate at which tenders are accepted will be divided amongst those who have tendered at this rate, in proportion, as nearly as may be found convenient, to the amounts of their tenders: provided that no allotment will be issued if the amount distributable on any tender is less than Rs. 350.

¹ Tenders made in accordance with these instructions will also be received by the Accountant-General, Bombay, on account of the Comptroller-General, Calcutta, on the 8th and 9th and up to 11 o'clock local time (corresponding with 12 o'clock in Calcutta) on the 10th September; provided that—

- (a) they are delivered personally or by clerk or messenger at his office (where a receipt will be given for them);
- (b) they are made on printed Forms, to be obtained at his office or at the Bank of Bombay;
- (c) each tender is for not less than Rs. 10,000;
- (d) that the deposit is either a promissory note, or a cheque on a Bank in Bombay;
- (e) that the amount of the tender is made payable either in Bombay or in Calcutta;

and he will return deposits on non-accepted tenders and will issue allotment-certificates so far as the tenders are payable in Bombay.

² It is particularly requested that such Promissory Notes may NOT be endorsed to the Comptroller-General.

10. To each tenderer (or to his agent) whose tender is accepted in whole or in part, such number of allotment-certificates as may be necessary to make up the aggregate amount allotted to him will be issued by the Comptroller-General as soon as possible after the 10th September; and an alphabetical list of the names of those to whom such allotment-certificates are issued will be posted, for general information, at the Head Offices of the Banks of Bengal, Madras, and Bombay.

11. If the allotment made on any tender is less than Rs. 3,000, then the whole of the allotment-certificates (after credit of the deposit under clause 4 (b)) will be made payable upon the 1st November.

Otherwise the whole amount of each allotment will be divided into three instalments, as follows:—

Instalment I—As near as convenient to 35 per cent., but not exceeding 35 per cent., payable upon the 24th September:

Instalment II—As near as convenient to 35 per cent., but not exceeding 35 per cent., payable upon the 1st November:

Instalment III—The balance, payable upon the 29th November:
and allotment-certificates will be issued for each instalment separately.

But the whole or any part of any accepted tender may be paid at any time after receipt of the allotment-certificates.

The words "as near as convenient" refer to the necessity for making each instalment an exact multiple of Rs. 500.

12. Any allotment-certificate will, on application to the Comptroller-General, be exchanged for an equivalent amount of allotment-certificates of smaller denominations, provided that if any payment (beyond the deposit) is recorded upon the cancelled certificate, it can be taken against, and recorded upon, only one of the certificates issued in exchange.

13. Payment of any allotment-certificate may be made to the account of the Government in the Head Office of the Bank of Bengal, or Madras, or Bombay, or in any Branch of these Banks, or into any Public Treasury or Treasuries in India which may be named in the tender in respect of which it was issued. Receipts for such payments will be given by the Banks of Bengal, Madras, and Bombay, or their Branches, or by the Officers in charge of the Government Treasuries at which payment is made, by encasement upon the relative certificate:

14. (a) When any allotment-certificate is fully paid up, the holder will, on presenting it duly receipted at the place where it was paid, obtain from the Public Debt Office, Calcutta, promissory notes of such values as he may desire (each note being in even hundreds and not less than Rs. 500), bearing interest from 1st February, 1887, and he will also receive interest at 4 per cent. per annum from the dates on which he may have made payment till the last day of January, 1887.

(b) Or he may, at his option, by paying interest at the said rate from 1st August, 1886, to the dates on which he may have made payment, obtain promissory notes as above, bearing interest from 1st August, 1886.

15. The holder of a paid-up allotment-certificate may also, on special application, obtain, on adjustment of interest on paid-up instalments so that the interest on the note issued may run from November 1st, 1886, promissory notes with coupons attached, or stock certificates (Form B) with coupons attached, and payable to bearer, in accordance with the Loan Notification of this Department, dated 27th June, 1881 (*i.e.*, *The Four Per Cent. Loan of 1881*, forming part of *The Four Per Cent. Loan of 1st May, 1865*). In such cases the first coupon issued will be that which falls due on 1st May, 1887.

* For tenders received by the Accountant-General, Bombay, and payable at Bombay, the Accountant-General, Bombay, will issue the allotment-certificates.

"ARTICLE II.

"In the dominions of Her Britannic Majesty, other than the foreign or colonial possessions of Her Majesty, the manner of proceeding shall be as follows:—

"1. In the case of a person accused:—

"The requisition for the surrender shall be made to Her Britannic Majesty's Principal Secretary of State for Foreign Affairs by some person recognized by the Secretary of State as a Diplomatic Representative of the Republic of Ecuador, accompanied by a warrant or other equivalent judicial document for the arrest of the accused, issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against him in Ecuador, together with duly authenticated depositions or statements taken on oath before such Judge or Magistrate, clearly setting forth the said acts, and a description of the person claimed, and any particulars which may serve to identify him. The said Secretary of State shall transmit such documents to Her Britannic Majesty's Principal Secretary of State for the Home Department, who shall then, by order under his hand and seal, signify to some Police Magistrate in London that such requisition has been made, and require him, if there be due cause, to issue his warrant for the apprehension of the fugitive.

"On the receipt of such order from the Secretary of State, and on the production of such evidence as would, in the opinion of the Magistrate, justify the issue of the warrant if the crime had been committed in the United Kingdom, he shall issue his warrant accordingly.

"When the fugitive shall have been apprehended in virtue of such warrant, he shall be brought before the Police Magistrate who issued it, or some other Police Magistrate in London. If the evidence to be then produced shall be such as to justify, according to the law of England, the committal for trial of the prisoners if the crime of which he is accused had been committed in England, the Police Magistrate shall commit him to prison to await the warrant of the Secretary of State for his surrender; sending immediately to the Secretary of State a certificate of the committal and a report upon the case.

"After the expiration of a period from the committal of the prisoner, which shall never be less than fifteen days, the Secretary of State shall, by order under his hand and seal, order the fugitive criminal to be surrendered to such person as may be duly authorized to receive him on the part of the Government of Ecuador.

"Con tal que la entrega, en el caso de una persona acusada, se haga únicamente cuando se puntualice la perpetración del crimen de manera que las leyes del país en que sea hallado el fugitivo ó persona acusada justificaren su captura y enjuiciamiento si allí se hubiese cometido el crimen; y en el caso en que se declare convicta á una persona en mérito de pruebas que, segun las leyes del país en que ella sea hallada, bastarian para tenerla por convicta.

"ARTICULO II.

"En los dominios de Su Magestad Británica distintos de las posesiones coloniales ó extranje-ras de Su Magestad, el procedimiento será como sigue:—

Dicho Secretario de Estado transmitirá los documentos expresados al Principal Secretario de Estado en el despacho del Interior de Su Magestad, quien por una orden firmada y sellada de su mano hará saber á algun Magistrado de Policía de Londres que tal demanda ha sido hecha, y le requerirá, si hubiere causa suficiente, para que expida la cédula de arresto contra el fugitivo.

"Con el recibó de la orden del Secretario de Estado, y con la produccion de suficiente prueba en opinion del Magistrado que justifique la expedicion del auto si el crimen hubiese sido cometido en el Reino Unido, expedirá en consecuencia la respectiva cédula.

"Cuando el fugitivo hubiere sido aprehendido en virtud de tal auto, será conducido ante el Magistrado de Policía que lo expidió, ó ante otro de igual clase de Londres. Si la prueba que deba entonces producirse fuere tal que justificase, segun las leyes de Inglaterra, el sometimiento á juicio del preso, si el crimen de que hubiese sido acusado lo hubiese cometido en Inglaterra, el Magistrado de Policía le someterá á prision para esperar el decreto de entrega expedido por el Secretario de Estado, enviando inmediatamente al Secretario de Estado un certificado de la prision practicada, y un informe del caso.

"Despues de expirado el periodo de detencion del preso, que nunca debe ser de ménos de quince dias, el Secretario de Estado, por orden firmada y sellada de su mano, ordenará que el criminal fugitivo sea entregado á la persona que esté debidamente autorizada para recibirle de la parte del Gobierno del Ecuador.

"2. In the case of a person convicted:—

"The course of proceeding shall be the same as in the case of a person accused, except that the warrant to be transmitted by the recognized Diplomatic Representative, in support of his requisition, shall clearly set forth the crime of which the person claimed has been convicted, and state the fact, place, and date of his conviction. The evidence to be produced before the Police Magistrate shall be such as would, according to the law of England, prove that the prisoner was convicted of the crime charged.

"After the Police Magistrate shall have committed the accused or convicted person to prison to await the order of a Secretary of State for his surrender, such person shall have the right to apply for a writ of *habeas corpus*. If he should so apply, his surrender must be deferred until after the decision of the Court upon the return to the writ, and even then can only take place if the decision is adverse to the applicant. In the latter case the Court may at once order his delivery to the person authorized to receive him, without the order of a Secretary of State for his surrender, or commit him to prison to await such order. A like proceeding shall be observed towards criminals in prison in Ecuador.

"ARTICLE III.

"In the Republic of Ecuador the manner of proceeding shall be as follows:—

"1. In the case of a person accused:

"The requisition for the surrender shall be made to the Minister for Foreign Affairs of Ecuador by the Minister or other Diplomatic Agent of Her Britannic Majesty, accompanied by a warrant for the arrest of the accused, issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against him in Great Britain, together with duly authenticated depositions or statements taken on oath before such Judge or Magistrate, clearly setting forth the said acts, and a description of the person claimed, and any other particulars which may serve to identify him.

"The said documents shall be transmitted to the Minister Secretary of State for the Interior Department, who shall then, by order under his hand and seal, signify to some Police Magistrate that such requisition has been made, and require him, if there be due cause, to issue his warrant for the apprehension of the fugitive.

"On the receipt of such order from the Minister Secretary of State, and on the production of such evidence as would justify the issue of the warrant, if the crime had been committed in Ecuador, he shall issue his warrant accordingly.

"When the fugitive shall have been apprehended in virtue of such warrant he shall be brought before the Police Magistrate who issued it, or some other authority of the same class. The evidence to be then produced shall be such as to justify, according to the law of Ecuador, the committal for trial of the prisoner of the crime of which he is accused had been committed in Ecuador, the Police Magistrate shall commit him to prison to await the warrant of the Secretary of State for his surrender, sending immediately to the Secretary of State a certificate of the committal and a report upon the case.

"2º. En el caso de una persona convicta:—

"El curso del procedimiento será el mismo que en el de una persona acusada, excepto que el auto que sea transmitido por el Agente Diplomático reconocido, en apoyo de su solicitud, manifestará con claridad el crimen del cual la persona reclamada haya sido convicta, y relacionará el hecho, lugar, y fecha de su convicción. La prueba que deba producirse ante el Magistrado de Policía debe ser tal que, en conformidad con las leyes de Inglaterra, probare que el preso fuese convicto del crimen que se le acusa.

"Después de que el Magistrado de Policía haya puesto en prisión á la persona acusada ó convicta para esperar la orden de un Secretario de Estado para su entrega, dicha persona tendrá derecho de pedir un escrito de *habeas corpus*. Si ella lo efectuare así, su entrega debe ser diferida hasta después de la decisión de la Corte sobre el pedimento de dicho escrito, y aun entónces tendrá lugar solamente si la decisión fuese adversa al recurrente. En este último caso puede la Corte ordenar la inmediata entrega á la persona autorizada para recibirle, sin orden del Secretario de Estado sobre dicha entrega, ó someterla á prisión para aguardar la orden. Igual procedimiento se observará respecto de los delincuentes puestos en prisión en el Ecuador.

"ARTICULO III.

"En la República del Ecuador, el procedimiento será como sigue:—

"1º. En el caso de una persona acusada:

"La petición para la entrega se hará al Ministro de Relaciones Exteriores del Ecuador por el Ministro ú otro Agente Diplomático de Su Magestad Británica, acompañada de un auto de arresto del acusado expedido por un Juez ó Magistrado debidamente autorizado para conocer de los actos de que se le acusare en la Gran Bretaña, junto con las deposiciones bien autenticadas, ó relaciones hechas con juramento ante dicho Juez ó Magistrado, manifestando con claridad los actos expresados, y una descripción de la persona reclamada y otras particularidades que puedan servir para identificarla.

"Dichos documentos se transmitirán al Ministro Secretario de Estado en el Departamento del Interior, quien entónces, por orden firmada y sellada de su mano, hará saber á algún empleado de Policía que tal demanda ha sido hecha, y le requerirá, si hubiere causa suficiente, para que expida el mandamiento de arresto contra el fugitivo.

"Con el recibo de la orden del Ministro Secretario de Estado, y con la producción de suficiente prueba que justifique la expedición del auto si el crimen hubiese sido cometido en el Ecuador, expedirá en consecuencia la boleta de prisión.

"Cuando el fugitivo hubiere sido aprehendido en virtud de tal boleta, será conducido ante el empleado de Policía que lo expidió ó ante otro de igual clase. Si la prueba que deba entónces producirse fuere tal que justificase, según las leyes del Ecuador, el sometimiento á juicio del preso, si el crimen de que hubiese sido acusado lo hubiese cometido en el Ecuador, el empleado de Policía le someterá á prisión para esperar el decreto de entrega expedido por el Secretario de Estado, enviando inmediatamente á este un certificado de la prisión practicada y un informe del caso.

"After the expiration of a period from the committal of the prisoner, which shall never be less than fifteen days, the Secretary of State shall, by order under his hand and seal, order the fugitive criminal to be surrendered to such person as may be duly authorized to receive him on the part of the Government of Her Majesty.

"2. In the case of a person convicted:—

"The course of proceeding shall be the same as in the case of a person accused, except that the warrant to be transmitted by the Minister or other Diplomatic Agent in support of his requisition shall clearly set forth the crime of which the person claimed has been convicted, and state the fact, place, and date of his conviction. The evidence to be produced before the Magistrate charged with the investigation of the case shall be such as would, according to the laws of Ecuador, prove that the prisoner was convicted of the crime charged.

"ARTICLE IV.

"A fugitive criminal may, however, be apprehended under a warrant issued by any Police Magistrate or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the person issuing the warrant, justify the issue of a warrant if the crime had been committed or the prisoner convicted in that part of the dominions of the two Contracting Parties in which he exercises jurisdiction: Provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London, and that he shall be discharged, if within thirty days a requisition shall not have been made for his surrender by the Diplomatic Agent of his country, in the manner directed by Articles II and III of this Treaty.

"The same rule shall apply to the cases of persons accused or convicted of any of the crimes specified in this Treaty, committed on the high seas, on board any vessel of either country, which may come into any port of the other.

"ARTICLE V.

"If the fugitive criminal who has been committed to prison be not surrendered and conveyed away within two months after such committal, or within two months after the decision of the Court, upon the return to a writ of *habeas corpus* in the United Kingdom, he shall be discharged from custody, unless sufficient cause be shown to the contrary.

"ARTICLE VI.

"When any person shall have been surrendered by either of High Contracting Parties to the other, such person shall not, until he has been restored, or had an opportunity of returning to the country from whence he was surrendered, be triable or tried for any offence committed in the other country prior to the surrender, other than the particular offence on account of which he was surrendered.

"ARTICLE VII.

"In any case where an individual convicted or accused in Ecuador of any of the crimes

"Después de expirado el periodo de detención del preso, que nunca debe ser de menos de quince días, el Secretario de Estado, por orden firmada y sellada de su mano, ordenará que el criminal fugitivo sea entregado á la persona que esté debidamente autorizada para rescibirle de parte del Gobierno de Su Magestad Británica.

"2. En el caso de una persona convicta:—

"El curso del procedimiento será el mismo que en el de una persona acusada, excepto que el auto que deba ser transmitido por el Ministro ú otro Agente Diplomático en apoyo de su pedimento, deberá manifestar claramente el crimen del que la persona reclamada ha sido convencida, y determinar el hecho, lugar, y fecha de su convicción. Las pruebas que deban producirse ante el Magistrado encargado de la investigación del caso deben ser tales que, según las leyes del Ecuador, probaren que el preso fuese convicto del crimen del que se le acusa.

"ARTICULO IV.

"El criminal fugitivo puede sin embargo ser aprehendido por un auto expedido por cualquiera Magistrado de Policía ú otra autoridad competente en cada uno de los dos países, con tales informaciones ó quejas y pruebas, ó después de tales procedimientos que en opinión de la persona que expida el auto, justifiquen la expedición de un auto si el crimen hubiese sido cometido ó el prisionero convicto en aquella parte de los dominios de las dos Partes Contratantes en la cual el Magistrado ú otra autoridad competente ejerza jurisdicción; sin embargo que en el Reino Unido el acusado, en tal caso, será enviado con la brevedad posible ante un Magistrado de Policía en Londres, y que será puesto en libertad, si dentro de treinta días no se hubiese hecho una solicitud para la entrega, por el Agente Diplomático de su país de la manera prescrita en los Artículos II y III de este Tratado.

"Las mismas reglas se observarán en los casos de personas acusadas ó convictas de cualquiera de los crímenes especificados en este Tratado, cometidos en alta mar ó abordo de cualquiera embarcación de uno de los dos países que pueda entrar á uno de los puertos del otro.

"ARTICULO V.

"Si el fugitivo criminal que ha sido sometido á prisión no fuere entregado ó llevado á fuera en el término de dos meses después del arresto, ó dentro de dos meses después de la decisión de la Corte sobre el escrito de *habeas corpus* en el Reino Unido ó en el Ecuador, será puesto en libertad, á menos que causa suficiente se demostre en contrario.

"ARTICULO VI.

"Cuando alguna persona hubiere sido entregado por una de las Altas Partes Contratantes á la otra, tal persona, mientras no haya sido devuelta ó haya tenido una oportunidad de volver al país de donde fué entregada, no podrá ser sometida á juicio ni juzgada por ningún delito cometido en el otro país, anteriormente á la entrega, á no ser por el delito particular por el cual su causa fué entregada.

"ARTICULO VII.

"En cualquiera caso en que un convicto acusado en el Ecuador de alguno de los crímenes

described in the present Treaty, and who shall have taken refuge in the United Kingdom, shall have obtained naturalization there, such naturalization shall not prevent the search for, arrest, and surrender of such individual to the Ecuadorian authorities, in conformity with the said Treaty.

"In like manner the surrender shall take place on the part of Ecuador in any case where an individual accused or convicted in England of any of the same crimes who shall have taken refuge in Ecuador shall have obtained naturalization there.

"ARTICLE VIII.

"No accused or convicted person shall be surrendered, if the offence in respect of which his surrender is demanded shall be deemed by the party upon whom it is made to be one of a political character, or if he prove to the satisfaction of the Police Magistrate, or of the Court before which he is brought on *habeas corpus*, or to the Secretary of State, that the requisition for his surrender has, in fact, been made with a view to try or to punish him for an offence of a political character.

"ARTICLE IX.

"Warrants, depositions, or statements on oath, issued or taken in the dominions of either of the two High Contracting Parties, and copies thereof, and certificates of or judicial documents stating the fact of conviction, shall be received in evidence in proceedings in the dominions of the other if purporting to be signed or certified by a Judge, Magistrate, or officer of the country where they were issued or taken.

"Provided such warrants, depositions, statements, copies, certificates, and judicial documents are authenticated by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State.

"ARTICLE X.

"The surrender shall not take place if, since the commission of the acts charged, the accusation, or the conviction, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the country where the accused shall have taken refuge.

"ARTICLE XI.

"If the individual claimed by one of the two Contracting Parties, in pursuance of the present Treaty, should be also claimed by one or several other Powers, on account of other crimes committed upon their territory, his surrender shall, in preference, be granted in compliance with that demand which is earliest in date.

"ARTICLE XII.

"If the individual claimed should be under prosecution, or in custody, for a crime or offence committed in the country where he may have taken refuge, his surrender may be deferred until he shall have been set at liberty in due course of law.

"In case he should be proceeded against or detained in such country on account of obligations contracted towards private individuals, his

detallados en el presente Tratado, y que se hubiere refugiado en el Reino Unido y obtenido naturalización allí, tal naturalización no impedirá la busca, arresto y entrega del individuo á las autoridades del Ecuador, en conformidad con dicho Tratado. De igual manera la entrega se verificará de parte del Ecuador, en cualquiera caso en que un individuo acusado ó convicto en Inglaterra de cualquiera de los mismos delitos se hallare refugiado en el Ecuador y hubiere obtenido allí naturalización.

"ARTICULO VIII.

"Ninguna persona acusada ó convicta será entregada, si el delito por el cual se demanda su entrega se estima por la parte á quien se solicita ser de carácter político, ó si la persona probare á satisfacción del Magistrado de Policía ó de la Corte ante la cual es conducido en *habeas corpus*, ó del Secretario de Estado, que el pedimento de su entrega ha sido, en efecto, hecho con la mira de juzgarle y castigarle por un delito de carácter político.

"ARTICULO IX.

"Los autos, deposiciones ó relaciones bajo juramento, expedidos ó tomados en los dominios de cualquiera de las dos Altas Partes Contratantes, las copias de ellos y certificados ó documentos judiciales que establecen el hecho de la convicción, serán recibidos en prueba en los procedimientos que se sigan en los dominios de la otra, siempre que se encuentren firmados ó certificados por un Juez, Magistrado ó alguacil del país de donde han sido expedidos ó tomados.

"Con tal que dichos autos, deposiciones, relaciones, copias, certificados, y documentos judiciales sean autenticados con el juramento de algún testigo, ó sellados con el sello oficial de Ministro de Justicia ó de algún otro Ministro de Estado.

"ARTICULO X.

"La entrega no se efectuará si, desde la comisión de los actos imputados, ó desde la acusación ó convicción, el lapso del tiempo hubiese eximido al delincuente del enjuiciamiento ó del castigo, según las leyes del país en donde el acusado se hallare refugiado.

"ARTICULO XI.

"Si el individuo reclamado por una de las Partes Contratantes, en ejecución del present Tratado, fuere también reclamado por una ó varias Potencias, con motivo de otros crímenes cometidos en sus territorios, la entrega se hará con preferencia á aquella cuyo reclamo se haya hecho con fecha anterior.

"ARTICULO XII.

"Si el individuo reclamado estuviere enjuiciado, ó en custodia, por un crimen ó delito cometido en el país donde se haya refugiado, su entrega puede ser diferida hasta que hubiere sido puesto en libertad, en el debido curso legal.

"En caso de que se hallare encausado ó detenido en dicho país por causa de obligaciones contraídas con individuos particulares, su entrega

surrender shall nevertheless take place, the injured party retaining his right to prosecute his claims before the competent authority.

"ARTICLE XIII.

"Every article found in the possession of the individual claimed at the time of his arrest shall be seized, in order to be delivered up with his person at the time when the surrender shall be made. Such delivery shall not be limited to the property or articles obtained by stealing or by fraudulent bankruptcy, but shall extend to everything that may serve as proof of the crime. It shall take place even when the surrender, after having been ordered, shall be prevented from taking place by reason of the escape or death of the individual claimed.

"ARTICLE XIV.

"Each of the two Contracting Parties shall defray the expenses occasioned by the arrest within its territories, the detention, and the conveyance to its frontier, of the persons whom it may consent to surrender in pursuance of the present Treaty.

"ARTICLE XV.

"The stipulations of the present Treaty shall be applicable to the foreign or colonial possessions of the two High Contracting Parties.

"The requisition for the surrender of a fugitive criminal who has taken refuge in a foreign or colonial possession of either Party, shall be made to the Governor or chief authority of such possession by the chief Consular Officer of the other at the seat of Government; or, if the fugitive has escaped from a foreign or colonial possession of the Party on whose behalf the requisition is made, by the Governor or chief authority of such possession.

"Such requisitions may be disposed of, subject always, as nearly as may be, to the provisions of this Treaty, by the respective Governors or chief authorities, who, however, shall be at liberty either to grant the surrender, or to refer the matter to their Government.

"Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Ecuatorian criminals who may take refuge within such Colony, on the basis as nearly as may be, of the provisions of the present Treaty.

"ARTICLE XVI.

"The present Treaty shall come into operation two months after the exchange of the ratifications. Due notice shall in each country be given of the day.

"Either Party may at any time terminate the Treaty on giving to the other six months' notice of its intention.

"ARTICLE XVII.

"The present Treaty shall be ratified, and the ratifications shall be exchanged at the capital of Ecuador within eight months after the approbation of the Legislative Power according to the laws of each country.

se verificará, no obstante, reservándose la parte agraviada su derecho para continuar sus reclamos ante la autoridad competente.

"ARTICULO XIII.

"Todo objeto encontrado en poder del individuo reclamado, al tiempo de su arresto, será recaudado para entregarlo junto con su persona cuando deba verificarse su entrega. Tal devolución no se limitará á los artículos obtenidos por robo ó quiebra fraudulenta, sino que se extenderá á todas las cosas que puedan servir como prueba del delito. Esto se verificará aun cuando, después de ordenada la entrega de la persona, no hubiere tenido efecto por causa de la fuga ó muerte del individuo reclamado.

"ARTICULO XIV.

"Cada una de las dos Partes Contratantes costeará los gastos ocasionados por el arresto dentro de su territorio, la detencion y la remision á su frontera, de las personas que consienta en entregar en conformidad del presente Tratado.

"ARTICULO XV.

"Las estipulaciones del presente Tratado serán aplicables á las posesiones coloniales ó extranjeras de las dos Altas Partes Contratantes.

"La peticion de extradicion de un criminal fugitivo que se hubiere refugiado en una colonia ó posesion extranjera de cualquiera de las Partes, se hará al Gobernador ó autoridad principal de tal posesion ó colonia, por el principal Agente Consular de la otra Parte en el asiento del Gobierno; ó si el fugitivo se ha fugado de una posesion extranjera ó colonial de la Parte en cuyo favor se ha hecho la peticion, por el Gobernador ó autoridad principal de dicha posesion ó colonia.

"Tales peticiones pueden ser despachadas, sujetándose siempre con la mayor estrictez posible á las prescripciones de este Tratado por los respectivos Gobernadores ó autoridades principales, quienes, sin embargo, podrán, ó conceder la entrega, ó referir á su Gobierno el asunto en cuestion.

"Su Magestad Británica podrá, no obstante, hacer especiales arreglos en las colonias Inglesas ó posesiones extranjeras, para la entrega de los criminales Ecuatorianos que se hayan refugiado dentro de tal colonia ó posesion bajo las bases mas posiblemente exactas á las que se prescriben en le presente Tratado.

"ARTICULO XVI.

"El presente Tratado comenzará á surtir sus efectos dos meses despues del cange de las ratificaciones. En cada país se dará el correspondiente aviso del día.

"Cualquiera de las Partes puede en cualquiera tiempo terminar el Tratado, dando á la otra el aviso de su intencion con seis meses de anticipacion.

"ARTICULO XVII.

"El presente Tratado será ratificado, y cangeadas las ratificaciones en la capital del Ecuador dentro de ocho meses despues de aprobado por el Poder Legislativo, en conformidad á las leyes de cada país.
